Exclusions & Limitations of Benefits

SmartSmile Individual Plan (WA-SS)

Network: Quality Assured Participating Dentists

Dental Exclusions

The following are not covered by your dental plan.

- A. Services not specifically listed in the “Schedule of Covered Services and Copayments.”
- B. Work in progress – non-emergency/temporary procedures started but not finished prior to the date of eligibility – is not covered. This includes crown preps prepared and temporized but not cemented, root canals in mid treatment, prosthetic cases post final impression stage (sent to the lab), etc. This does not include teeth slated for root canal treatment and/or canals filled during an emergency visit.
- C. Temporomandibular joint (TMJ) disorders and related disease including myofunctional therapy. Procedures for training, treating or developing muscles in and around the jaw of the mouth (unless provided by a separate, supplemental Dental Health Services program.)
- D. Services that are reimbursed by a third party such as the medical portion of a health insurance plan or any other third-party indemnification. (The member may be responsible for the payment of usual and customary charges to his/her dentist for services that are reimbursed by a third party.)

Dental Limitations

The following are limitations on covered benefits.

- A. Services received from Periodontist, Oral Surgeon, Pedodontist and Endodontist are subject to applicable calendar year annual maximum detailed on first page of this Schedule of Covered Services and Copayments.
- B. Specialists are only available for specific procedures where the scope of the service is outside the skill of the participating general dentist.
- C. Limitation on the frequency and appropriateness of services:
 - 1. D0210 and D0330 – Intraoral complete series films and panoramic films – limited to once every three years.
 - 2. D0120 Periodic oral evaluation: D1206 and D1208 Fluoride are limited to one per six months.
 - 3. D1110 – Prophylaxis (removal of plaque, calculus and stains from the tooth structures in the permanent and transitional dentition) or D4910 – Periodontal Maintenance – limited to one per six-month period, with any additional at additional copayment.
 - 4. D4341 or D4342 – Periodontal scaling and root planning – limited to four quadrants every 2 years; and two quadrants per day.
 - 5. D5110 through D5281 – Full/partial dentures (upper and/or lower) – limited to one per five-year period. New dentures are covered only if the existing denture cannot be

made satisfactory by either a reline or repair. Lost or stolen appliances are the responsibility of the patient.

- 6. Fixed bridges are optional and not covered for patients under the age of 16.
- D. The additional cost to the member for laboratory charges, unless specified in the “Schedule of Covered Services and Copayments,” will be charged at the provider’s actual cost.
- E. When a Member selects a non-covered service, a more extensive service or treatment that is an alternative to an adequate, covered service according to your Selected Participating Dentist the Member is responsible for the fee for service.
- F. Upgraded services – Cases in which the enrollee selects a plan of treatment that is considered an upgraded procedure – Dental Health Services’ upgrade charges would apply.
- G. Cosmetic dentistry – Services for appearance only – may be available at a discount off full fees. This includes such services as the replacement of clinically acceptable amalgam fillings, veneers and bonding.
- H. Crowns and Bridges – Limited to 10 in a 12-month period. Additional Crowns and Bridges are subject to a \$200 copayment increase per procedure.
- I. Unsatisfactory patient-doctor relationship – If a satisfactory relationship cannot be established between a Member and their Selected Participating Dentist, Dental Health Services, the Member, or the Selected Participating Dentist reserves the right to request the Member’s affiliation with the dental office to be terminated. Dental Health Services will always put forth its best effort to place the Member with another Participating Dentist.
- J. Submit claims for reimbursement within 180 days. In some cases, you may need to receive your care outside of the Dental Health Services’ network of participating providers. This may be due to an emergency or, in some instances, when your required care for Covered Services is not available within the network. Dental Health Services may not pay for a claim for this care unless the enrollee submits the claim to Dental Health Services within 180 days after treatment.
- K. Not all participating dentists can perform all dental procedures. Please verify what services your Selected Participating Dentist can perform for you. Some complicated extractions, periodontal treatment, osseous surgery and root canal treatment may be referred to a specialist at the discretion of the general dentist
- L. Coverage for services only available during period of enrollment.
